bpb Gift Hamper On TV!

Tuesday, 14 October 2014 10:21

bpb is happy to announce that we are the official gift partners for Zee Café's celebrity talk show, **Look Who's Talking** With Nirranjan Iyengar, putting together the hamper for them filled with all our favourite treats! See below for the lovely list of vendors we featured in the goodie basket that went out to Karan Johar, Sonam Kapoor, Ranveer Singh, Kajol and others!

Tea Trunk Tea

With an aim to educate tea lovers across the country about 'tea as it should be', Snigdha Manchanda's teas come in flavours that are anything but usual, and most certainly lovely.

We love her vanilla black tea, lemon green tea and the rose oolong flavours. Look out for the newly launched Marigold lemongrass tea this festive season!

www.teatrunk.com , Rs 800 for a box of vanilla black tea.

Indian Bean Coffee

Just so that coffee drinkers don't feel left out, the good guys at the Indianbean.com gave us their "robust, aromatic and persuasive" blend of Appa's Coffee that's picked from estates in South India and Nepal, packed in Mysore and shipped, right to you!

To order view their website [here](#) , [the Facebook page here](#), starts at Rs 300 for 250 gms.

The Table

A bpb favourite, Colaba's The Table contributed to the hamper with their signature ketchup and hot sauce bottles, that is part of their made-to-order service.

Eighth

Ever since we sampled Anurita Ghoshal's home baked treats, we haven't stopped dreaming of the giant smearable chocolate chips in her cakes. Fittingly, Anurita gave us her special biscotti and chocolate pound cakes for the hamper, that we're pretty sure were well received.

Eighth, flat no 4 , Mudheshwari Building , YMCA road, off Carter Road , Bandra (W), view the Facebook page [here](#), call 9820267003.

Sweetish House Mafia We're over the moon that we finally have a steady stream of SHM's crater sized cookies, with the launch of her first outlet in Lower Parel! Adding to the sugar overdose in the hamper, Neha Sethi gave us her decadent chocolate chip cookies.
